FLASH STREAKS FLASH MÈCHES

bleaching powder toning

Destaining powder with a dual bleaching action and dye, which allows the creation of streaks in shades of flash in a single application. Present in 4 shades mixed to obtain a wide range of shades.

method of use : in a non-metallic bowl, mix 50g of powder with 100 grams of hydrogen peroxide, mix with the brush until you get a smooth paste. Apply to the strand to be treated and leave on for 15-30 minutes. You can reduce the exposure time to 15 minutes working with lamps or vaporizers. Do not cover the hair strand with aluminum foil. Rinse thoroughly and proceed with styling.

box: jars of 250 gr.
