MIX UP - COLORING CREAM

Tincture of new generation with silk proteins which provide softness and shine to the hair. MIX UP ensures total coverage of gray hair color and excellent durability.

Nuances

available in 68 shades in the natural series (9) ; NATURAL ASH (5), gold (9) ; auburn (9) ; mahogany (8) ; beige (2) ; purple (3), red (11) ; brown (6) concealers (2), super whitening (4).

Method of use :

choices emulsion oxidant protective cream and fragrant mix up : 40 volumes, to lighten 2 or 3 tones ; 20 volumes, tone-on- tone color, cover gray hair, lighten a tone ; 10 volumes, to darken a tone, color bleached hair. To lighten more than 4 tones, we recommend using superlightening shades.

Pack

tube astucciato 100 ml.
