EVANESCENCE AMMONIA - FREE HAIR COLOR

A new coloring system with professional Argan Oil. Evanescence ammonia - free hair color is permanent hair color without ammonia and without p- Phenilendiamine that allows you to create rich colors, natural, bright, and long lasting, while fully respecting the hair fiber. Covers white hair. Its formulation, free of ammonia, helps reduce the risk of allergies and skin sensitivity. Enriched with Argan Oil, Oil, Cocoa and Keratin helps protect the hair from external agents and its nourishment, and at the same time helps to carry out an anti-aging, revitalizing and strengthening, making hair soft as silk, healthy and shiny. It is also versatile : you can darken, lighten, cover gray hair or get special effects. It gives results tone on tone when it is mixed with the activator 3%.
