CAPILLARY MASK STRENGTHENING

for devitalized hair - volumizing effect

Counteracts the destructive effect of mechanical and environmental factors on the keratin fiber, reducing the friction between the fibers and the force of friction of the comb.

CAPILLARY MASK MOISTURIZING - DETANGLING

for skin and hair parched and dry

Conditioning action with lubricant and protective activity.

CAPILLARY MASK SEBUM-BALANCING

for the skin and oily hair

Enforcement action against oxidative cell due to excessive secretion of sebum.

Container: 500 ml jars
