MASK SALVACOLORE

for colored hair

This picture is a strengthening treatment with silicones that protects and revitalizes colored hair by providing intense nourishment.

REPAIR AND MASK MOISTURISES

for dry and damaged hair

Enriched with ceramides, governs the fiber along its entire length and restores split ends. The hair is free from frizz for longer, bright, soft to the touch and visibly healthier.

RESTRUCTURING MASK

for brittle and damaged hair

Restructures and strengthens dry, brittle and damaged hair healthier and stronger light from the aggressions of hair dryer and brush.
