HAIR MANYA HAIR MANYA

HI DENSITY

Gives body cream that gives tone and definition to curly hair and creates a look elastic, natural and voluminous. Ideal on dry and frizzy hair, an intense moisturizing action that makes them easy to comb, full-bodied and soft. It comes with a soft, creamy texture that facilitates the distribution and with a fresh cranberry fragrance. It can be used before cutting to give hydration and before drying to eliminate frizz and give body.

box: 240 ml bottle.

ADRENALINE

Spray no extra gas - tight thanks to the ultra -fixing resins ensures a tight compact long-lasting. Ideal for obtaining a fastening extreme and a total control of the hair, defining in the drying phase with absolute precision to effect a rigid with the plate. Can also be used before drying to give volume or to obtain a sustained and curly hair drying without brush.

box: 200 ml bottle.
