ROOT ACTIVATOR SERUM

Line [3D] MEN - CARE

Step 2 of the program activator [3D] MEN acts on the roots. It helps to increase the density reducing hair loss.

In his formulation : Panthenol, that adds moisture to the hair ; taurine, which strengthens the scalp ; carnitine, that stimulates and activates the roots.

Root Activator Serum helps to counteract hair loss and increases the density, when used as part of a scheme of 24 weeks.

Package: 7 bottles of 10 ml.
