FINEST PIGMENTS

Direct coloring ingredients formulated with up to 98% of natural origin

Formulated with natural pigments with strong antioxidant properties, which have the ability to enhance and maintain the reflections of the hair and to protect the structure. Finest Pigments is a gentle and natural coloring system, fast and simple, without ammonia and that does not require the use of activators. The 14 nuances Finest Pigments can be mixed with each other and with Finest Gloss to create limitless possibilities of colors.

FEATURES :

- SERVICE SUPPLEMENT TO TECHNICAL SERVICES

To use even the same day of a service of coloring, permanent or ironing chemistry.

- SIMPLE SERVICE

Direct staining, fast and flexible. All colors can be used pure or blended together.

- COLOR IS NOT BINDING

Color without ammonia and without activator, ideal for those approaches for the first time in color. It gradually fades in 8-10 shampoos. Allows you to switch from one color to the next in a gradual and natural.

- NATURAL COLOUR SYSTEM

Ingredients up to 98% of natural origin.

- TARGET MIXED

BENEFITS:

- SHINE

Finest Gloss may be used alone to give extraordinary shine to the hair or blended with all the nuances Finest Pigments harmoniously to vary the intensity. Great for toning streaks and strokes of light and reflections to get intense and creative solutions on bleached hair.

- BRIGHT HAIR AND PROTECTED

The natural pigments play a strong antioxidant, enhancing and maintaining the reflections of the hair, protecting the structure.
