CAVIAR REJUVENATION TREATMENT CAVIAR REJUVENATION TREATMENT

new rejuvenation system hair more silky, healthy, shiny and young...

The hair, as well as skin, age, however, the skin regenerates, while the hair no. This suggests what is needed constant care and everyday. Are in addition to biological aging also to heat and chemicals, which is derived from the color and styling services. The science of skin -care hair care lends itself to be a valuable asset : the caviar. Comes the most exclusive professional treatment for hair rejuvenation, already cult among Hollywood actresses : in 50 minutes your hair will purify, recharge vital substances and are protected by a new hydro-lipid film. Anything can happen only thanks to the expert hands of an expert in the beauty and health of Alterna hair. The biological aging, or caused by chemical, thermal and environmental tends to make your hair frizzy, dull and lifeless. ALTERNA CAVIAR REJUVENATION TREATMENT is a revolutionary professional treatment designed to repair and recondition the hair, leaving it stronger and younger, for a full 30 days. CAVIAR REJUVENATION TREATMENT has been renovated and upgraded. It is a permanent conditioning system that works synergistically to rebuild damaged hair and restore a healthy shine. Reconstitutes the ideal levels of moisture and strengthens hair from the inside. Complete the treatment by sealing the cuticle and compacting. The result is expressed in hair shinier, healthy and manageable hair for 30 days.
