PROTOPLASMINA VITA-CELL BK4 KIT

with Keratin, BotoFarm and hyaluronic acid for hair damaged and brittle hair

SHAMPOO

rose pre-treatment Alkaline retreader

Gently cleanses the hair while eliminating impurities, opening the scales of the hair to ensure deep action of subsequent treatments.

FILLER

retreader filling action

Its innovative formula, beefing instantly from within the structure of the hair and also strengthened and redesigned. The hair will be elastic, tonic and bright.

MASK

intensive Reconstructor treatment

Its special formula ensures the perfect closure of the scales of the hair, thus completing the process of internal reconstruction.

Promotes districabilità and makes hair silky and compact to the touch.

SERUM

Spray compacting retreader

Final treatment to give body and volume to the hair making it soft and silky. Not weights and extends the life of the crease.

packing: kit containing:
