LINE TRICOGEN LINEA TRICOGEN

TRICOGENA with auxin and plant extracts

Combat excess sebum, the onset of dandruff cure, prevent the loss of hair aesthetics. This is the threefold effect that can be achieved thanks to the shock treatment with the line TRICOGEN, a compound of Auxin TRICOGENA and Balsamo Fioravanti.

The first, without use of a more or less generalized vasodilation, is able to restore in a gradual way an individuality of growth of individual bulbs, satisfying their natural fascità. At the same time, the numerous statements in the Balsamo Fioravanti (a composition that has been handed down since 1920) ensure a sustained action anti-dandruff and grease through harmonization of balance sebaceous. L ' Auxin TRICOGENA is also used for the realization of the SHAMPOO

TRICOGEN, which represents the version foaming cleanser lotion in character : this ensures a greater residence time of the active ingredients on the scalp and consequently a more substantial effect.
