CARE LINE - ULTIMATE CONTROL CARE LINE - ULTIMATE CONTROL

for unruly hair : straight or curly

The Ultimate Control line gives definition to straight or curly hair and reduces static electricity.

SHAMPOO

A gentle shampoo to control frizz. The Siloft encapsulant creates a light to protect from moisture, conditions and moisturizes the liquid keratin, restoring strength and elasticity.

box: bottle.

CONDITIONER

A conditioner to rinse for hair unmanageable. The Siloft and essential minerals makes the hair easy and silk proteins smooth and silky.

box: tube.

CONTROL 2 -PHASE SPRAY

Conditioning spray, instantly. Thanks to the dual formulation (white phase and blue phase) is used to silkening Polish : liquid cream silky effect to challenge the frizz on all hair types.

box: jar
