ULTIMATE TREATMENT ULTIMATE TREATMENT

restorative treatment

A professional treatment in 3 steps to rebuild damaged hair from stress and chemical weathering. In the living room takes between 5-10 minutes and the results are immediate and lasting. The cut and the color will become more defined.

Chelating Shampoo

Remove any remaining technical and prepares the scalp and hair to the second treatment.

DEEP TREATMENT

A nutrient infused to restore the pH of the scalp and hair and prepare the third Step hair.

-STRENGTH ADDITIVE POWER BOOSTER - for fine hair

Rich emulsion to be added to DEEP TREATMENT, to complete the effect reconditioning and restorative treatment. This fluid is available in 3 variants depending on the type of hair:

MOISTURE - ADDITIVE POWER BOOSTER

For dry hair.

ADDITIVE - VOLUME POWER BOOSTER

For hair that require volume.

- ADDITIVE POWER PROTECTOR

Closes the fibers and finishes treatment. The hair is then regenerated and nurtured and protected long by chemicals and external.
