MV HEALING - ANTISEBO MV CURATIVI - ANTISEBO

• TREATMENT ANTISEBO

The innovative treatment MedaVita based on saw palmetto is enriched by the presence of trace elements, valuable for their anti-aging properties. The clinical verification has demonstrated the effectiveness of the treatment in normalizing the sebum production of the scalp in 4 weeks. The active sebum - balancing, purifying, anti-oxidants and vasostimolatori bring immediate benefits.

SEBODETOX - purifying shampoo pH 6.5

box: bottles of 250 and 1000 ml.

BASE Sebum - lotion multiactive antisebo - new wording

box: 6 mL vial in cartons of 6 pcs.
