FIRST BEAUTY & WELLNESS

First software for beauticians , fitness centers and spas

Designed for beauticians and beauty salons, health clubs, spas

First Beauty & Wellness is the ideal program for those who want a cutting-edge yet economical solution, with Prime Beauty & Wellness have complete management of your clients by appointment, thanks to the wonderful weekly planning with resources, individual treatments, you can retain them with the ability to manage the tiles with collection points. With the integrated management of the warehouse you are able to always know your inventory and which products are preferred by your customers.

With Prime Beauty & Wellness can issue tax receipts or receipts through the terminal touch screen (touch-sensitive monitor of the fingers).

The issuance of a receipt (form adopted by all who wish to free themselves from the costs of periodic review of the fiscal) is fast and intuitive, simply select the product or service to charge it, of course you can also manage the transfers, discounts and totals row. The price of the product or service is obtained automatically from the list, but can be changed by the operator as well thanks to the convenient features include the amount of cash received for the automatic calculation of the rest, you can avoid any kind of error. As an alternative to tax receipt can be connected almost all the cash registers on the market for printing receipts. With Prime Beauty & Wellness 're able in a second, from the planning management appointments, check availability and cross pe day / time, resource (light, room, location) and working.
