### ICONWASH washing for hairdressers

The innovative style of IconWash makes this washing for hairdressers a classic of the future.

The elegant shape of the rounded armrests combine beautifully with the seat and the back, creating a minimalist revisited, while offering incredible comfort. In addition to great design, IconWash comes with a plastic shelf located under the sink, ceramic, tilting with this extra shelf Iconwash service will be a great tool for the work of the hairdresser.

IconWash is available in a wide choice of Sky Colours, in one or two shades, at no extra charge.
