COLOR REMOVER COLOR REMOVER

color corrector

COLOR REMOVER is a product of the color correction for professional use only. COLOR REMOVER is an essential support to the work of hairdresser, in fact, allows you to quickly and easily remove the oxidation hair dye in case of unexpected results.

Lightens from 1 to 3 tones based on the intensity of the existing color, reducing the size of the artificial pigments in a uniform manner, without damaging the structure of the hair that remain soft and bright. It is easily applied due to its gel consistency which does not run. Its pleasant fragrance transforms the time of the application in a moment of total relaxation for the client.
