STRAIGHTENESS STRAIGHTENESS

straightening treatment

A line of products created by Yuko Yamashita, Japanese Hairstylists, which allows a permanent straightening, leaving the hair shiny and restructuring the hair fiber. The line consists of:

GEL TYPE

A gel solution suitable for all types of hair, leaving the hair soft and light as silk.

package : bottle.

CREAM TYPE

It contains oils that leave hair silky smooth and allows you to tame even the most frizzy hair for a natural ironing.

box: envelope.
