HUILE NOURRISSANTE HUILE NOURRISSANTE

Huile NOURRISSANTE is the oil for dry scalp. Relaxes, soothes and regenerates the damaged hydro-lipid film of the skin. Relieves so perceptible symptoms of irritation such as itching and the feeling of tension, thereby preventing the formation of dandruff. The next brittle hair breakage acquire new stability and elasticity. The pure oil of borage is an ace winning for its content of valuable gamma-linolenic acid and the finest cold-pressed oil extracted from the cuckoo flower (*Cardamine pratensis*).

box: dropper vial.
