TRIO SKIN NUTRITION TRIO NUTRIMENTO CUTE

PURIFYING WASH

Step 1 - purifying

Clarifying shampoo for hair and scalp. Deep cleans removing residues of synthetic products, chlorine, environmental influences such as smog and pollution. Leave the hair and the skin very fresh and receptive to Conditioner or an intensive restructuring treatment. The main ingredients are : Peppermint, Aloe Barbadensis, Eucalyptus, Rosemary, Chamomile, Hops, Horsetail, Sage, Burdock, Mallow, Sesame, Saw Palmetto, Argan Oil.

packaging: bottles of 100, 250 and 1000 ml.

SCALP BENEFITS

Step 2 - nourish

Conditioner ideal for the needs of people who carry extensions and who undergo continuous changes of color, permanent hair straightening, and that have problems of the skin, including: accumulation of toxins, irritation, sensitive skin and hair loss. Ideal for people who live and work in places with high pollution levels, for the cases of baldness, for people who shave their heads or who are undergoing treatment or medicines very strong. The main ingredients are : Shea, Jojoba, Babassu, Avocado, Peppermint, Eucalyptus, Rosemary, Aloe Barbadensis, Sage, Burdock, Mallow, Sesame, Saw Palmetto, Argan Oil, Chamomile, Hops, Horsetail, Sunflower, hydrolyzed Sweet Almond protein.

packaging: bottles of 60 and 250 ml.

HAIR LOSS nutriment

Step 3 - nourish

Lotion naturally derived organic, free from chemicals and toxic ingredients, ideal for skin that is thin and fine hair with hair loss problems. The Glycogen plays its special action on hair growth, increasing vitality and shine. The main ingredients are : citric acid, glycogen, hair - active mixture resulting in part from the tree Pterocarpus Indian, synergistically associated with glutamic acid, which acts as a substrate and by stimulating cellular metabolism. Moreover, all these assets have an anti-inflammatory and radical. instructions for use: Apply daily on the skin and gently massage to facilitate absorption. Do not rinse. A slight redness is due to the stimulation of blood circulation.

Container: 100 ml bottle.

PURE ALOE GEL

100% pure aloe

Gel colorless and almost odorless, particularly pleasing as it is light, quick and easy absorption. It contains no chemical gelling. It immediately gives a feeling of deep hydration and freshness. Ideal to detoxify and rebalance oily skin, as anti-inflammatory for skin irritated by chemical treatment or by natural causes (dermatitis, eczema..).

It is also suitable as an after-sun treatment to maintain your tan in time and soothe sunburn. Leaves no sticky residue. Main Ingredient: Aloe Barbadensis.

Package bottle with pump dispenser 100 ml and 1000 ml falcon.
